Docket No. 98-N-1265

Food and Drug Administration

5600 Fishers Lane Room 1061

Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: please don't restrict our access to medications,  
it only increases already high costs..
